

Saskatoon Spinners and Weavers Guild (SSWG)

The Saskatoon Spinners and Weavers Guild (SSWG), is a group of enthusiastic and supportive people who are passionate about weaving, spinning, dyeing, knitting, felting, and other fibre arts.

Who can join the Guild?

Our members include professionals, artists, teachers, hobbyists, and beginners.

What does membership offer?

We meet in formal and informal groups, where we share our projects, and expand our understanding of working with textiles. We also hold workshops and educational events to learn more about our craft.

Our guild has an extensive library, as well as equipment which members may borrow. Members receive a monthly newsletter outlining guild activities and future events.

In November we hold a sale. Items are juried before being put in the sale, and all members can submit items to the jury.
